## **VEGA**

### **VEGA Americas Corporation**

The Leading Manufacturer of Radar, Ultrasonic, Nuclear, Interface, Point Switches & Continuous Level. Powders, Solids, Liquids-Slurries, Industrial and Sanitary.

## **Masoneilan<sup>®</sup>**

### **Masoneilan Control Valves and Instruments**

Globe, Camflex, Ball, Butterfly, and Severe Service Control Valves. Smart Instruments, Actuators, Level Transmitters, Positioners, and Pressure Regulators.

### **Bronkhorst USA**

Mass Flow Measurement and Control, Pressure Control, Liquids and Gasses, Controlled Evaporative Mixing, Thermal and Coriolis Mass Flowmeters and Controllers.

### **Badger Meter<sup>®</sup> / Research Control Valves<sup>®</sup>**

Small, Precision Flow Control Valves. PVC, Kynar, 316 & 304 SS, Monel, Hastelloy, Alloy 20, Inconel, Titanium, Nickel, Tantalum.

## **TELEDYNE ANALYTICAL INSTRUMENTS**

### **Teledyne Analytical Instruments**

O<sub>2</sub> Analyzers: %, Trace, PPM/PPB, and Portable. Hydrocarbon, PPB Moisture, & Flue Gas Analyzers, Stack Gas & Combustion Efficiency Monitors.

## **Burling Valve**

### **Burling Valve, Incorporated**

Pressure Regulators, Reducing and Back Pressure. Direct Acting, Pilot Operated, Spring or Dome Loaded, Carbon Steel, Cast Iron, or Stainless Steel Bodies.

## **swan ANALYTICAL INSTRUMENTS**

### **Swan Analytical Instruments**

pH, Conductivity, Cation Conductivity, Oxygen, Hydrazine, ORP, Sodium, Silica, Phosphate, TOC, Turbidity, Chlorine, Free Chlorine, and more

## **QTS**

### **Quest-Tec Solutions**

High Pressure Visual Level Indication, Including Boiler Drum Level, Water / Steam Interface, Optional Analog or Switched Outputs

### **Precision Digital Corporation**

Digital Displays, PID Controllers, Annunciators, Multi-function Controllers, Digital Gauges, Nema 4X, Explosion-proof, Intrinsically Safe.
